

2017 Southeastern Institute's Massage-A-Thon To Benefit

My Sister's House

MSH is a 501c3 charity that has been servicing the tri-county area for decades by supporting and protecting domestic abuse victims and their children. Southeastern's Massage Therapy School will be hosting a 2 day massage event where 100% of the proceeds will be going directly to MSH.

SATURDAY OCTOBER 21 AND SUNDAY OCTOBER 22

Student therapists and professionals will be providing full 1 hour massages as well as 20 minute chair massages from 9am-7pm both days. To set a record, the school's program coordinator will be providing chair massages for 24 straight hours from Saturday 9am-Sunday 9am.

Incredible raffle items from dozens of contributors and local businesses as well as gift certificates for future massages are also available.

Please come show your support for our North Charleston community and this incredible charity!

*Please bring in any new donation items this weekend including: baby wipes, band aids, towels, glassware, clothing, etc.
